

## 3-Person Basketball Officiating Classroom/E-learning Training Guide – 2 Hours

### Description

Though a relatively uncomplicated game to play, basketball can be very challenging to officiate. We will be using the NFHS Officiating Basketball - Crew of Three, to help you better understand the intricacies of refereeing the sport and strategies behind making every call and decision on the court. This course will help you always develop a better sense of positioning including pre-game, during free-throws and that exciting last second shot. It will guide you through important terminology and outline tactics designed to help you work as a cohesive unit of three. This E-learning program is available at [NFHSLearn.com](http://NFHSLearn.com)
