

#1 Set-up **WRESTLER A**—straddling **WRESTLER B's**—nearside leg, uses a crossface to a far arm—**LEGAL**.

#2 **WRESTLER A**—reaches back and picks up nearside ankle/leg of **WRESTLER B** and pulls ankle/leg toward farside shoulder as she presses the crossface over for nearfall—**stop immediately and penalize for ILLEGAL** back bow.

This is **Illegal** by **APPLICATION** grabbing ankle/leg—The lifting of ankle/leg forced toward the opposite shoulder creates a reverse “C” to spine—**Stop immediately**, penalize accordingly.

This maneuver should not get this far.
