Frequently Asked Questions

Headstrong is an excess accident plan. What does that mean?

1. The Insurance will pay for covered charges after the primary insurance has been exhausted.
2. Also referred to as “secondary policy” - in that it will pay secondary to any primary insurance in place.
3. The insurance will also pay for any covered charges the primary insurance will not cover (including deductibles, co-pays, and any other out-of-pocket charges).

I have primary insurance, what policy should I give to the provider?

It is best to give the provider BOTH: primary insurance information and the Mutual of Omaha information for the concussion program. The provider should then work directly with Mutual of Omaha to bill primary insurance first, and the Headstrong Concussion Insurance second.

Do I need a referral to see a concussion specialist?

There are no restrictions on specific doctors, and no referral is needed.

What is the policy deductible?

The policy deductible is \$0. The insurance offers first-dollar coverage for concussion assessment and treatment. The insurance will pay for out-of-pocket costs remaining from the student’s primary insurance (co-pay, deductible, treatment not covered), or will become the primary payor, if no other insurance is available.

I already paid the provider out-of-pocket, will the insurance reimburse me directly?

Yes. Please submit the claim form, other insurance questionnaire, along with Bills and Explanation of Benefits to Mutual of Omaha. It is recommended to contact Mutual of Omaha prior to paying for services out of pocket.

What events are “covered events?”

Participating in practice or play of sports governed and/or sponsored by the State High School Association.

How do I submit a claim?

Full details are provided in the Program Guide. You will need to fill out and submit a claim form (incident report), and Other Insurance Questionnaire to:

HOW TO SUBMIT A CLAIM UNDER THE CONCUSSION PROGRAM

- 1) Submit the incident report within 30 days of the injury, or as quickly as possible.
- 2) Make certain that the incident report is completed in its entirety, including the policy number(), with accurate and detailed injury information and how the accident happened.
- 3) The incident report MUST BE SIGNED by a representative of the school. INCIDENT REPORTS WHICH ARE NOT SIGNED WILL DELAY THE CLAIM.
- 4) Physician billings on CMS1500 forms and hospital/facility billings on UB04 forms would be preferred as these forms contain all the necessary coding required to process a claim. See bullets #5 & 6 for additional instruction regarding bills.
- 5) If the injured participant has primary insurance, each bill should be submitted with the primary insurance Explanation of Benefits or denial.
- 6) If the injured participant has primary insurance, all providers should be informed of the primary insurance information, so they are billed first, and the Mutual of Omaha information for the concussion program insurance billed second.
- 7) When an injured participant does not have primary insurance, we have agreements through PPO networks that allow many bills to be reduced with contractual discounts. We encourage injured participants NOT to pay claims in advance of submitting them to us, so these discounts can be used.

Dear Provider:

The athlete that you are treating today is a member of the _____ team, which is a participating member of the WIAA.

The WIAA has provided the athlete with an excess accident medical plan that pays for expenses related to the care of a concussion injury. This plan will pay for covered charges after the athlete's primary insurance has been exhausted. Mutual of Omaha is the claims administrator for the excess plan and the following information is being supplied to you in an effort to assist the claimant in obtaining maximum benefits in a timely manner.

Please submit all charges through any other primary insurance first, and then submit itemized bills (HCFA-1500 or UB-92) and the primary Explanation of Benefits to:
