Welcome to the Girls Golf Culminating Event

Friends,

2020-21 has been a challenging year for all of us. It has been particularly challenging to our member schools and the students they serve. The fact that we are enjoying this culminating event for the girls golf alternate fall season is a tribute to the school leaders, athletic directors and coaches who have "willed" this to happen.

This event also serves as a tribute to the dedication, determination and resolve of the young people competing here today; as well as to all the high school athletes who have confronted the disappointments and frustrations of all that has engulfed them in recent months and have risen above every obstacle and adversity.

Lastly, we must recognize and thank all the parents and fans who have "masked-up", observed distancing and mitigating protocols in order to give kids, schools and coaches this chance to get back together, to compete in the sports and activities they love and have missed.

Thank you to all who have contributed in both great and small ways, because it has taken all of us to bounce back this far.

We have a way to go yet. But with your help and all of us continuing to work together, there can be hope!

Sincerely,

David J. Anderson
Executive Director

WIAA Provides Opportunities; Structure . . .

The Wisconsin Interscholastic Athletic Association (WIAA) is a voluntary, unincorporated, and nonprofit organization. The Association membership has a diversified membership of public high schools, nonpublic high schools, public middle schools, and nonpublic middle schools. Its purpose is to organize, develop, direct and provide interscholastic athletics for member schools.

There are 514 senior high schools affiliated with the WIAA. The estimated number of student-athletes in athletics is 80,000-85,000 annually.

Governance of the WIAA is performed by the member schools. Rules and policies of the Association are developed, promulgated and implemented by the membership either through membership vote for constitutional issues or through a membership-elected committee structure for sport seasons regulations. Therefore, ownership of the membership's rules and regulations, as well as the responsibility of compliance with them, lies with each member school.

The Development of Rules . . .

As fans watch the games during the tournament, some wonder how the rules of the game and of the WIAA were created.

- ◆ The National Federation of State High School Associations is the authority of the competition rules for sport contests (i.e. uniforms, length of contest, game rules). As a member of the NFHS, the WIAA adheres to those rules as a member in good standing. The WIAA, as well as all state associations in the NFHS, has input with an advisory role in the review and promulgation of the playing rules. The NFHS office is located in Indianapolis, Indiana.
- ◆ For changes to the membership's Constitution, Bylaws and Rules of Eligibility, a vote of the entire membership is required at the Annual Meeting each spring. The Constitution contains information relating to the Association as an organization. The Bylaws encompass information relating to member high schools' responsibility concerning WIAA rules and regulations. The Rules of Eligibility embody information relating to the relationship of the student-athlete to the high school and the WIAA.
- ◆ The Board of Control has the ultimate authority in determining the outcome of sport seasons rule recommendations and regulations. Changes to the sport seasons regulations are advanced through the democratic committee structure. Among the advisory groups that provide input to the Board are the coaches advisory committees for each sport; the sports advisory committee, comprised of school athletic directors from each of the seven districts; the Advisory Council, consisting of school administrators from each elector district; and the executive staff. Other groups with advisory responsibilities include the Medical Advisory Committee, Sportsmanship Committee and the Officials Advisory Committee. The Season Regulations address, among other topics, definition of the sports seasons, participation, contest control and tournament procedures.

Currently, the Association sponsors 24 sports including baseball, basketball, cross country, 8-player, 11-player football, golf, hockey, soccer, swimming & diving, tennis, track & field, volleyball and wrestling for boys; and basketball, cross country, golf, gymnastics, hockey, soccer, softball, swimming & diving, tennis, track & field and volleyball for girls.

The WIAA Welcomes You To The 2020-21 Alternate Fall State Girls Golf Tournament

The WIAA began its golf tournament program for girls in the fall of 1972. Madison West won the first team championship, finishing ahead of runner-up West Bend East and third-place Brookfield Central.

The first tournament was held at Winagamie, near Appleton. It has been held at various locations - Fond du Lac, Lawsonia, Wisconsin Rapids, Stevens Point, Lake Arrowhead, Janesville Riverside, University Ridge in Madison, and Cherokee Country Club in Madison in 2012. It returned to University Ridge in 2013 after course renovations were completed. The Tournament Series expanded from one division to two divisions in 2003. Amidst the COVID-19 pandemic in 2020, the Golden Valleys course at Blackwolf Run in Kohler served as the host of the State Championships.

Edgewood leads in number of team championships won with 15. Madison West, which won the first five State titles, and La Crosse Central are next in line with five. Appleton West, Arrowhead and Homestead have won four titles, and Madison Memorial, Middleton, Notre Dame and The Prairie School have won three.

Osceola has produced the largest number of medalists with eight. Madison Memorial has had six individual champions, and Appleton West, Edgewood and Racine Case have each produced five individual champions.

Brookfield Central has qualified a team for the State meet more than any other program with 28 appearances. Homestead is next with 27, and Edgewood follows with 23. Arrowhead and Middleton are next on the list with 21 appearances, and Madison Memorial has qualified 20 times.

In 2008, Lindsay Danielson of Osceola became the first golfer to win four individual championships

(2005-08). Her sister, Casey Danielson, became the second individual to accomplish the feat from 2009-12. Heather Suhr of Racine Case is the only other golfer to win medalist honors three consecutive years (1996-98).

Two Madison Memorial girls--Chris Regenberg (1976-77) and Sherri Steinhauer (1979-80)--as well as Ellen Mielke of Appleton West (1985-86), Erika Brown of Madison La Follette (1989-90), Carly Werwie of Kenosha Bradford (2004-05), Tory Bauman of Nicolet (2007-08), Emily Joers of Waukesha South/North/West (2009, 11), Jessica Reinecke of Verona (2012-13) and Jo Baranczyk of Bay Port (2018-19) have won medalist honors twice.

Casey Danielson shot the best 36-hole performance in a State Meet with a 138 (69-69) at University Ridge in 2010. There have been seven hole-in-ones recorded in the State Tournament. Holly Stark of Arrowhead and Lauren Anzelone of Racine Park both scored a hole-in-one at the 2001 State Meet. Jami Kessenich of Arrowhead accomplished the feat on hole 17 at University Ridge in 2008. Aimee Tripp of Onalaska did it on hole 8 at University Ridge in 2009, and Mari Pechacek of River Falls had an ace on hole 3 at University Ridge in 2011. Megan Elmes of Madison Memorial accomplished the feat on hole 5 at Cherokee Country Club in 2012, and Mary Hommen of Cambridge did it on hole 8 at University Ridge in 2019.

Attendance at interscholastic activities is a privilege with the expectation to exhibit positive and respectful behavior. For the enjoyment and respect of all in attendance, your cooperation in demonstrating the high ideals of sportsmanship is expected and greatly appreciated.

Scoring & Qualifying Procedures

Schools were assigned to one of four regionals on May 5-6. From the regionals, the top four teams and top four individuals, who are not members of one of the top four teams, advanced to one of two sectionals. The four best scores of each team are used to determine the team score.

The first two teams and the top three individuals, who are not members of a qualifying team, will participate in the State Tournament.

Groups for Monday's play have been developed using sectional team placing as well as the individual's rank on her team. They will be grouped with players holding a similar position at another school.

Tuesday's foursomes will be designed based on the score shot by the team on Monday. Those teams with low team scores on Monday will be teeing off last. This allows teams to compete head-to-head with their competition.

Individual qualifiers will be grouped together and appropriately placed before team groupings.

At the conclusion of the meets, awards will be available at the registration table.

Playoffs will be held to determine the first place team and/or the first place individual. Playoffs are on a sudden death (hole-by-hole) basis. Duplicate medals will be awarded for ties in individual places two through six with a maximum of five medals being awarded unless there is a tie for sixth place. Hole number 1 will be the first playoff hole. All five members of a team will participate in the team playoff with the scores of the top four counted. The score of each individual is not cumulative. Results are available at the course each day or can be found on the WIAA web site www.wiaawi.org.

Kids belong out here.

We help keep them here.

At Marshfield Children's, we believe kids belong playing sports, cheering on their favorite teams and having fun with other children. Our network of primary and specialty care helps keep them there.

In communities across Wisconsin, our pediatricians are supported by more than 40 children's specialties - like pediatric orthopedics, behavioral health and dermatology - all working together to keep your child in the game.

For the love of kids.
